Hands On Demonstration Training May 8th West End Roofing, Fort Worth Texas

Moderate Climate Installation Guide requirements for underlayment, flashing, pipes, vents, valleys and layout are covered in the 2 hour demonstration. A great session for Installers to refresh their knowledge, and office/sales staff to see tile products installed at knee level. The Hands On Demo is free but we ask that you RSVP to John@TileRoofingTraining.org

Installer Certification Class May 9th

West End Roofing, Fort Worth, Texas

The Installer Certification class is for entry level and experienced roofers who want to expand their skills. Contractors, consultants and inspectors who pass the multiple choice test can market their knowledge using the Installer Certification logo in their marketing materials. Pre-registration (\$199) is required. The "member rate" is available to members of the NRCA, RCAT, NTRCA or other industry organizations. Register at www.tileroofingtraining.org
