

5th Edition Florida High Wind Concrete and Clay Tile Installation Manual

2 Hour Presentation Series

Tuesday May 13th	Fort Meyers
Wednesday May 14th	Sarasota
Thursday May 15th	Lakeland
Friday May 16th	Orlando
Tuesday May 20th	West Palm Beach

See the full schedule details and register at:

tileroofing.org/training-schedule/

Two ways to register - **Space is limited so you must preregister:**

Recertification: If you are in our data base as a previously **TRI Certified High Wind Installer** you can register to “renew” the certification for 2 years. After passing the 15 question renewal test, a card and certificate will be issued on site. Recertification, review and manual: \$99.00

Manual review only: If you have never been certified with the TRI, registration is still required to attend the presentation and you will receive a copy of the new 5th Edition Florida Manual: \$15.00.

TRI Florida High Wind Certification classes will be held in June. See the schedule: www.tileroofing.org

The Tile Roofing Institute (TRI) in partnership with the Florida Roofing, Sheet Metal & Air Conditioning Contractors Association, Inc. (FRSA) have been working together for nearly two decades on the development of installation manuals that represent proper installation practices, industry standards and the latest code requirements of roofing tiles for the Florida market.
