Installer Certification April 24th, Las Vegas, Nevada

The Installer Certification class is for entry level and experienced roofers who want to expand their knowledge, and for consultants, inspectors and industry professionals who work with tile roofing. The class uses the ICC approved Moderate Climate Guide for the Installation of Clay and Concrete Tile. All attendees will be given a copy of the manual. Those who pass the multiple choice, open book test can market their knowledge using the Installer Certification logo on their company website and marketing materials. Pre-registration (\$299) is required. The "member rate" (\$199) is available if you are a member of any construction industry association including the NRCA, WSRCA, RCI, ASHI or other local industry organizations.
