TRI Installation Manual Certification - The TRI Certification class is for entry level and experienced roofers, consultants, and industry professionals who work with tile roofing and want to expand their skills. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Those who pass the multiple choice test can market their knowledge using the TRI Certification logo on their website and marketing materials.

Pre-registration is required. The "associate member rate" (\$199), is available to construction industry association members including ARCA, NRCA, ASHI or other local industry organizations. Register at <http://tileroofing.org/training-schedule/>

Certification Renewal – If you are already certified and your certification is about to (or recently) expired, you can attend the morning session and renew your certification on-site.
