

TRI Florida High Wind Certification Training with the Revised 5th Edition FRSA/TRI Florida High Wind Installation Manual

June 22, 2017, 8:30am - 4:00pm
At the FRSA Annual Convention
Orange County Convention Center
Orlando, FL 32819
Register at: <http://tileroofing.org/training-schedule>

FRSA Convention Information:
www.floridaroo.com/convention

High Wind Certification - The High Wind Installer Certification class is for entry level and experienced roofers who want to expand their skills and understanding of the 5th Edition FRSA/TRI High Wind Installation manual. The class is also helpful for roof consultants, home inspectors and industry professionals who work with tile roofing. Those who pass the multiple choice test can market their knowledge using the High Wind Installer Certification logo on their website and marketing materials. See the new contractor search at www.tileroofing.org/find-contractor. Pre-registration is required due to limited seating. Members of FRSA will receive the TRI associate member discounted rate of \$199.

CE Credits: Attendees that pass the test will earn 6.0 CILB General CE Credits. To receive the credit you must include your Florida License number when you register.

Certification Renewal

If you were certified or re-certified in 2014 when the 5th Edition manual was initially released you can attend the first 2 hours of this class and take the 15 question renewal test at the morning break. You will earn 2 CE Credits for the 2 hour review of the 5th Edition Manual, and your TRI Certification will be extended another 2 years. The renewal fee is \$99.00
