Installer Certification November 7th 2014, Reno, Nevada

The class is for entry level and experienced roofers, inspectors and industry professionals who want to solidify their knowledge of the Moderate Climate Installation Guide standards. Each attendee will receive a copy of the ICC reviewed and approved manual. **The class will cover required and optional installation practices including addressing fastening requirements specific to the Reno area.** Pre-registration (\$299) is required. The "member rate" (\$199) is available to members of any roofing and home inspector association (NRCA/CREIA/ASHI etc.). Upon completion of the class and after passing a 50 question multiple choice test your company will be able to market this knowledge using the Installer Certification logo on your website, letter head etc.
