Hands On Demonstration Training February 28th, Raleigh, North Carolina
Moderate Climate Installation Guide requirements for underlayment, flashing, pipes, vents, valleys and layout are covered in the 2 hour demonstration. A great session for Installers to refresh their knowledge, and office/sales staff to see tile products installed at knee level. The Hands On Demo is free but we ask that you RSVP to John@TileRoofingTraining.org

Installer Certification March 7th, Durham, North Carolina
The Installer Certification class is for entry level and experienced roofers who want to expand their skills, consultants and inspectors and industry professionals who work with tile roofing. Those who pass the multiple choice test can market their knowledge using the Installer Certification logo on their website and marketing materials. Pre-registration (\$199) is required. The "member rate" is available to CRSMCA members and other contractor, inspector and industry consultant organizations. Register at www.tileroofingtraining.org
