**200 East Belt Line Rd #10**  
**Coppell, TX 75019**  
Register at [www.tileroofingtraining.org](http://www.tileroofingtraining.org)

### Hands On Demonstration Training

Basic Moderate Climate Installation Guide requirements for underlayment, flashing, pipes, vents, valleys and layout are covered in the 2 hour Hands On Demonstration. This is a great session for Installers to refresh their knowledge and for sales, office and management to see how tile roofing products are installed and ask questions in a safe environment.

The Hands On Demo is free but we ask that you RSVP to [John@TileRoofingTraining.org](mailto:John@TileRoofingTraining.org)

### Installer Certification

The Installer Certification class is for entry level and experienced roofers who want to expand their skills, and consultants and inspectors who work with tile roofing. Those who pass the multiple choice test can market their knowledge using the Installer Certification logo on their website and marketing materials. Pre-registration (\$199) is required due to limited seating.
