Hands On Demonstration Training November 7th, Yuma, AZ

Moderate Climate Installation Guide requirements for underlayment, flashing, pipes, vents, valleys and layout are covered in the 2 hour demonstration. A great session for Installers to refresh their knowledge and sales and office staff to see tile products installed at knee level. The Hands On Demo is free but we ask that you RSVP to John@TileRoofingTraining.org

Installer Certification November 8th, Yuma AZ

The Installer Certification class is for entry level and experienced roofers who want to expand their skills, consultants and inspectors and industry professionals who work with tile roofing. Those who pass the multiple choice test can market their knowledge using the Installer Certification logo on their website and marketing materials. Pre-registration (\$199) is required. The "member rate" is available to construction industry association members including ARCA, NRCA, AZ-ASHI or other local industry organizations. Register at www.tileroofingtraining.org
