# TRIA MEMBER SPOTLIGHT

Since 1981, Fry Roofing, Inc. has provided quality roofing services for residential and commercial customers throughout South Texas. In the beginning we specialized in high-end tile and metal roof installation for Custom Home Builders. Our range of expertise has expanded over the years to serve clients from homeowners to custom homebuilders, semi-custom production builders, large commercial contractors, retail chains, hotels, and property management firms.

# UPCOMING EVENTS

## *Upcoming Events and Training Schedule*

TRI Alliance's certification training programs are designed to train roofers and roofing professionals in code-approved installation methods. Codes are often updated, especially in hurricane-prone and fire-prone regions, and TRI Alliance provides the latest information on rapidly changing standards and upgrades to installation techniques.

Check out our upcoming training courses today!

### [9/9: Manual Certification Webinar](#)

The TRI Manual Certification training is for entry level and experienced roofers, consultants, and industry professionals who work with tile roofing (outside of Florida\*), and want to expand their skills. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Those who pass the multiple-choice test can market their knowledge using the TRI Certification logo on their website and marketing materials. They will also be included in the contractor search on our website.

---

### [10/1: Florida High Wind Manual Certification Webinar](#)

This class is for entry level and experienced roofers in Florida who want to expand their skills and understand the new codes effective with the **6th Edition FRSA/TRI High Wind Installation Manual**. The class is also helpful for roof consultants, home inspectors and industry professionals who work with tile roofing in Florida. Those who pass the multiple choice 50 point test can market their knowledge using the TRI Florida High Wind Certification logo on their website and marketing materials. They will also be included in the contractor search on our website.
