TILE ROOFING INDUSTRY ALLIANCE

AUGUST 2022 - NEWS

TILEROOING.ORG

## TEXAS TRAININGS BRING OUT THE BEST

Three installation Manual Certification classes attracted some of the best roofing contractors in Texas and Oklahoma. With 58 attendees, the events in Euless, Dallas and San Antonio included contractors, distribution companies and tile manufacturers. Every roofing company sent more than one employee, led by Corey Construction with 7 employees.

## SOLAR OUTPUT IS SET TO TRIPLE BY 2024. HERE IS WHAT YOU NEED TO KNOW.

The TRI Alliance Technical team is working to better understand the challenges our industry will face as the white house announced this week the intent to triple the output of Solar Generated power by 2024. With the roof being the most likely location for solar panels, it will create the need for research, discussions and feedback to the solar industry to overcome numerous challenges.
