TILE ROOFING INDUSTRY ALLIANCE

TILEROOING.ORG

FEBRUARY 2022 - NEWS & RESOURCES

E: info@tileroofing.org

With the first half of Quarter 1 behind us, we are looking ahead and preparing for spring. We are excited to welcome several new members, some of whom you will see featured in this month's newsletter. Enjoy information on legislative matters, upcoming training and certification opportunities and more. To be featured or to share feedback, please email marketing@tileroofing.org.

OSHA ACTIVITY, TAX HIKES, ROOFING DAY IN DC

The TRI Alliance Government Relations was in full force working on important legislative legislation that affects our building industry.

- OSHA Withdraws COVID ETS
- OSHA ANPRM on Heat Illness/Injury Prevention
- Business Community Letter Opposing Tax Hikes

The TRI Alliance is proud to be one of the sponsoring organizations for the NRCA Roofing Day in DC. We will be sending our full Government relations team to visit with key members of the house and senate while we are there.

CODE AND LEGISLATIVE ISSUES AFFECTING OUR ROOFING CONTRACTORS

The TRI Alliance Technical Committee is working with our partnering organizations to address upcoming code cycle initiatives.

These changes will require revisions to our two installation guides.

TRI ALLIANCE IS SEEING TREMENDOUS GROWTH IN NEW CONTRACTORS AND ASSOCIATES

In the last two months the TRI has seen a 15% growth in membership from new members joining our TRI Alliance family. The new members cite training, technical and being a voice to our efforts as the primary benefits for becoming members. The TRI is becoming the best collaborative forum for helping the roofing industry to grow and address major issues moving forward.

REYNOLDA HOUSE MUSEUM: A STORY FOR SUCCESS

Otherwise known as the centerpiece of Winston-Salem, NC, The Reynolda House Museum of American Art is nestled on the outskirts of Wake Forest University. When it came time to replace their 104-year old iconic green Ludowici Roof, Ludowici, Baker Roofing and Preservation Forsyth partnered to replicate and restore its original rooftiles.
