Upcoming Events and Training Schedule

TRI Alliance's certification training programs are designed to train roofers and roofing professionals in code-approved installation methods. Codes are often updated, especially in hurricane-prone and fire-prone regions, and TRI Alliance provides the latest information on rapidly changing standards and upgrades to

installation techniques.

Check out our upcoming training courses today!

[8/4 and 8/6: Manual Certification Webinar](#)

The TRI Manual Certification training is for entry level and experienced roofers, consultants, and industry professionals who work with tile roofing, and want to expand their skills. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Those who pass the multiple-choice test can market their knowledge using the TRI Manual Certification logo on their website and marketing materials. They will also be included in the contractor search on our website.

[9/9: Manual Certification Webinar](#)
