# ***UPCOMING EVENTS***

## ***Upcoming Events and Training Schedule***

TRI Alliance's certification training programs are designed to train roofers and roofing professionals in code-approved installation methods. Codes are often updated, especially in hurricane-prone and fire-prone regions, and TRI Alliance provides the latest information on rapidly changing standards and upgrades to installation techniques.

Check out our upcoming training courses today!

---

### **7/22 and 7/23: FRSA'S 99th Annual Convention and the Florida Roofing & Sheet Metal Expo**

The TRI Alliance will have a booth at Florida Roofing and Sheet Metal Contractors' Association (FRSA) 99th Annual Convention and Expo. If you are at the FRSA Expo, stop by booth #128 and say hello! For more information about the event visit <https://www.floridarroof.com/convention/>

---

### **8/4: Manual Certification Webinar \*For all states except Florida\***

The TRI Manual Certification training is for entry level and experienced roofers, consultants, and industry professionals who work with tile roofing (outside of Florida\*), and want to expand their skills. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Those who pass the multiple-choice test can market their knowledge using the TRI Manual Certification logo on their website and marketing materials. They will also be included in the contractor search at: <https://tileroofing.org/find-a-contractor>

---

### **8/6: Florida High Wind Manual Certification Webinar**

This class is for entry level and experienced roofers in Florida who want to expand their skills and understand the new codes effective with the **6th Edition FRSA/TRI High Wind Installation Manual**. The class is also helpful for roof

consultants, home inspectors and industry professionals who work with tile roofing in Florida. Those who pass the multiple choice 50 point test can market their knowledge using the TRI Florida High Wind Manual Certification logo on their website and marketing materials. They will also be included in the contractor search at: <https://tileroofing.org/find-a-contractor>
