Installer Certification October 24th 2014, Westchester (Chicago), IL (15 miles from O'Hare)

The Installer Certification class is for experienced and entry level roofers, inspectors and industry professionals who want to solidify their knowledge of the Moderate Climate Installation Guide standards. Each attendee will receive a copy of the ICC reviewed and approved manual. The class will cover required and optional installation practices with a special section on Title 24 compliance. Pre-registration (\$299) is required. The "member rate" (\$199) is available to members of any national or local roofing, home inspector or industry association (NRCA/ASHI, AI etc.). Upon completion of the class and after passing a 50 question multiple choice test, your company will be able to market this knowledge using the Installer Certification logo on your website, letter head etc.
