### Hands On Demonstration Training

See the Moderate Climate Installation Guide basic requirements for underlayment, flashing, pipes, vents, valleys and layout in the 2 hour demonstration. A session for Installers to refresh their knowledge, and office/sales staff to see tile products installed. The Hands On Demo is free. Please RSVP to [JJensen@TileRoofing.org](mailto:JJensen@TileRoofing.org)  
Register to "renew" your existing certification at [www.tilerooting.org/training-schedule/](http://www.tilerooting.org/training-schedule/)

### Installer Certification May 30<sup>th</sup> in El Paso, Texas

The Installer Certification class is for entry level and experienced roofers who want to solidify their knowledge of the Moderate Climate Installation Guide standards. Each attendee will receive a copy of the ICC reviewed and approved manual. The class will cover required and optional installation practices. Pre-registration (\$199) is required. The "member rate" is available to RCAT, NTRCA, TPREIA/InterNACHI and TAREI members.
