Hands On Demonstration Training & Re-certification May 29th in El Paso, Texas

See the Moderate Climate Installation Guide basic requirements for underlayment, flashing, pipes, vents, valleys and layout in the 2 hour demonstration. A great session for Installers to refresh their knowledge, and office/sales staff to see tile products installed at knee level.

The Hands On Demo is free but we ask that you RSVP to JJensen@TileRoofing.org

Did you attend the previous class at ABC El Paso? Register to "renew" at www.tileroofing.org

Installer Certification May 30th in El Paso, Texas

The Installer Certification class is for entry level and experienced roofers who want to solidify their knowledge of the Moderate Climate Installation Guide standards. Each attendee will receive a copy of the ICC reviewed and approved manual. The class will cover required and optional installation practices. Pre-registration (\$199) is required. The "member rate" is available to RCAT, NTRCA, TPREIA/InterNACHI and TAREI members. Register at www.tileroofing.org/training-schedule/
