**TRI Installation Manual Certification** - The TRI Certification class is for entry level and experienced roofers, consultants, and industry professionals who work with tile roofing and want to expand their skills. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Those who pass the multiple-choice test can market their knowledge using the TRI Certification logo on their website and marketing materials. **Pre-registration is required.** The “associate member rate” (\$199), is available to construction industry association members including ARCA, NRCA, ASHI or other local industry organizations. Register at <http://tileroofing.org/training-schedule/>

**Free Hands-On Demo** – See the basic requirements for underlayment, flashing, pipes, vents, valleys and layout in the 2-hour demonstration. A great session for installers to refresh their knowledge, and office/sales staff to see tile products installed at knee level.
