Installation Manual Certification March 1, 2016, Riverside, CA

The Installation Manual Certification class is for experienced and entry level roofers, inspectors and industry professionals who want to solidify their knowledge of the TRI Concrete & Clay Roof Tile Installation Manual standards. Each attendee will receive a copy of the code approved manual. The class will cover required and optional installation practices with a special section on Title 24 compliance. Pre-registration (\$299) is required. The “member rate” (\$199) is available to members of any roofing and home inspector association (SDRCA/CREIA/ASHI etc.). Upon completion of the class and after passing a 50 question multiple choice test, your company will be able to market this knowledge using the TRI Certification logo on your website, letter head etc.
