Installer Certification October 17th, San Antonio, Texas “Get on the map!”

The Installer Certification class is for entry level and experienced roofers, consultants, inspectors and industry professionals who work with tile roofing and want to expand their skills. Those who pass the multiple choice test can market their knowledge using the Installer Certification logo on their website and marketing materials, and will be listed in the TRI Contractor Search. Pre-registration is required. The “member rate” (\$199) is available to construction industry association members including RCAT, NRCA, ASHI or other local industry organizations. Register at www.tilerooting.org/training-schedule/
