Installation Manual Certification — The TRI Concrete and Clay Roof Tile Installation Manual Certification class is for experienced and entry level roofers, inspectors and industry professionals who want to solidify their knowledge of the Installation Manual standards. It provides a foundation of knowledge for people new to the industry and helps more experienced people gain efficiency. Each attendee will receive a copy of the code approved manual. The class will cover required and optional installation practices. Upon completion of the class and after passing a 50-question multiple choice test, your company will be listed in the Contractor Search on the TRI website. You will also be able to use the TRI Certification logo in your marketing materials.

Pre-registration is required. \$299 for Non-members, \$199 for TRI Members and Associate Members who register at least 5 days prior to the class date. The Associate Member Rate is available to members of SDRCA, NRCA, CREIA, ASHI, and other industry associations.

SPECIAL SDRCA Rate

The San Diego Roofing Contractors Association (SDRCA) will subsidize the training fee for current members, reducing the rate to \$149. You must be a current member of SDRCA to select this rate. Limit 4 people per SDRCA Member Company at this rate.

Certification Renewal – \$129. If you are already certified and your certification is about to (or recently) expired, you can attend the morning session and renew your certification on-site.
